Spring at last. I am looking forward to the return of the rest of the snow birds. At our sole meeting in March Councilwoman Beverly Kinney presented the efforts to exercise the use of Solar Energy on Grand Island. Meetings for April include a presentation by Lion Anne on the Assessment Review Process. { April 11 at the Radisson Inn). On April 25 we will travel to the Merritton Club for a joint meeting with our sister club. I would like to see a good attendance at this meeting as the Merritton Lions are always supportive of our activities. I am particularly pleased with close to \$100 received from bottle returns. Lion Tom Rusert continues to coordinate these efforts. Lion Dick Crawford is being recognized as Citizen of the Year by the Chamber. This honor is richly deserved. Congratulations Dick!. Please remember to donate an item for the basket raffle for the spaghetti dinner on April 23 at the Radisson. Set-up help is needed on Sunday April 22 at 3 pm. Help is always needed Monday am. Annette will be making phone calls to members for baked goods. Baked items can be dropped off at the Radisson on Monday. I would like to thank all Lions for their continued support.

The Basket Raffle for the Spaghetti Dinner has become an important part of our event. Raising over \$1000 each year. It is important to have a nice variety of baskets, so anything you can donate will help! If you know a business owner, consider asking them for something to donate. No need to contribute an entire basket. I will put together items to complete a basket. If you are willing to make a few calls to local businesses contact me at 440-0841.

Many hands make light work!

.Once again "Kids Day", The Buffalo News special sale date, is the morning after our Spaghetti Dinner. This year it is Tuesday, April 24th. We only need about 6 volunteers. That way we can stagger the shifts to 1.5 hours each in case the weather is not good. Please consider helping this year. It is such a worthwhile cause. You can either work from 6-7:30 or 7:30 -9. If someone can help me load papers at 5:30 at the Knights of Columbus, I would appreciate it. Contact me at 440-0841 if you can help. Than You. Lion Anne

NEW DUES STRUCTURE FOR NEW MEMBER CANDIDATES

A new dues structure for proposed new members to our club has been approved by your Board of Directors. It was necessitated due to the billing cycles of the International, our multiple, and our district that caused an unfair and unnecessary expense to our new members. For example, the district bills the club for all current members in July. After that time, there is no further benefit that a new member need to pay for since the new member now is covered by the club.

As a result, when you need to divulge what the initiation fee and dues will cost the new member or members, please refer to this new dues structure. Please note the one-time initiation fee is \$35.00 per person no matter when they join. It's the month they join in that will determine their dues for the remainder of the year. Please also note that we send out our dues notices starting in April. The reason for this is to remove from the membership roll (drop) anyone who has not paid by June 15th. This way we will not be billed by the entities beyond our club on June 30th. Once we are billed, we cannot seek any refunds.

This structure will be found on our website's "Members only" section at www.gilions.com. If you have any questions or comments, they are always welcomed.

The "Magic" of Compound Interest

Back in the 1950s, our Lions district started a fund, formerly known as the Blind and Charity Fund, as an investment vehicle to provide an ongoing stream of money that would be used for funding the Buffalo Eye Bank and for clubs for their charitable works. Numerous clubs signed on board with the program, funding it at a rate of \$200.00 a share with a maximum purchase of ten shares. Our club signed up with a \$1,000 infusion of money, allowing us five shares in the fund. Every year, the dividends were divided up amongst the clubs holding shares. In the unfortunate event of a club folding, their share balance would then be divided up amongst the remaining clubs.

In 2013, the entire fund was turned over to the renowned Community Foundation for Greater Buffalo to handle all the investing and distribution of funds. As part of the transfer of funds, one-half of all distributions would be earmarked for Upstate New York Transplant Services (UNYTS), formerly known as the Buffalo Eye Bank, which was founded by seven Lions clubs in 1949.

Although historical data is missing on our returns of investment, or ROI for our Lion stock market followers, it can be safely estimated that we have received at least 58 years of returns on our original \$1,000 investment. The past two years alone has seen our Welfare Fund realize over \$2,700 from that very wise decision of our Lions predecessors. This year could see the total climb to over \$4,000. Thanks to compound interest and the wisdom of all those involved in that decision a long time ago!

Nervous Secret Service Agent:

The president is walking out of the White House and heading toward his limo, when a possible assassin steps forward and aims a gun. A secret service agent, new on the job, shouts, "Mickey Mouse!"

This startles the would be assassin and he is captured. Later, the secret service agent's supervisor takes him aside and asks, "What in the world made you shout Mickey Mouse?" Blushing, the agent replies, "I got nervous. I meant to shout, "Donald duck!"

Members should continue to bring nonperishable food items to our meetings for benefit of the Neighbors Foundation Food Bank, and used cell phones can be re-purposed by the Erie County Sheriff's domestic violence unit.

Also Bottle Junction credits our club 6 cents on every deposit can or bottle returned. The advantage of this donation is you do not have to wait. Just tell them to donate the proceeds to the Lions. Our last return from this was \$94.02. Thank you to all who participated.

Thanks to Lions Tom Witkowski, Henry Lobl, Dick Crawford, Anne Fahning, Kelly McGarvey, Donna Lavalley and Tom Rusert for contributions to this newsletter. The deadline for the May Newsletter is Friday April 27th. If you have material for the newsletter, you can e-mail it to Lion Dave Chervinsky, the editor/publisher, at: grandislandliodave@gmail.com.
